Notes:

- <sup>1</sup> The participation and/or involvement of the forces and resources of the International Operations Department in the years 2015–2016 was subject to Government Resolution No. 850 of October 20, 2014, and both chambers of the Parliament of the CR expressed their agreement with this resolution (the Chamber of Deputies through Resolution No. 496 of October 31, 2014, and the Senate through Resolution No. 635 of October 23, 2014).
- <sup>2</sup> On January 1, 2015, the Resolute Support mission replaced the ISAF operation.
- <sup>3</sup> DCM – *Deployable Communication Module*.
- <sup>4</sup> The forces and resources of the International Operations Department function above and beyond the framework of Government Resolution No. 850 of October 20, 2014, and they also functioned in the framework of the NATO Air Policing operation in Iceland in the period from July 20 to August 31, 2015, which 68 persons took part in (according to its mandate, the maximum amount of persons who could take part in it was 70). The sending out of the forces and resources was approved by the government through Resolution No. 437 of July 3, 2015, which was recognized by both chambers of the Parliament of the Czech Republic (the Chamber of Deputies recognized it through Resolution No. 785 of June 16, 2015, and the Senate through Resolution No. 155 of June 17, 2015).
- <sup>5</sup> The mission was set apart from the “Leadership Structures of NATO and the EU in the Operations of These Organizations”. A separate mandate for it was not necessary.
- <sup>6</sup> Taking part in UNDOF and MINUSMA (which had a common mandate) above and beyond the framework of the two-year mandate for 2015–2016 is subject to Government Resolution No. 290 of April 22, 2015, which both chambers of the Parliament of the Czech Republic expressed their agreement with (the Chamber of Deputies through Resolution No. 784 of June 16, 2015, and the Senate through Resolution No. 127 of May 13, 2015).
