The IIR library is committed to providing library and information services to the reader, the terms and conditions of which are set in the Library Rules.

The reader confirms the accuracy of the data and undertakes to observe the provisions of the Library Rules. He/she further confirms that all materials / resources/ obtained /available in the Library will be used in accordance with Copyright Law (121/2000 Coll.).

The library processes personal data on the basis of a service contract concluded with the reader by accepting his/her application to the Library and in accordance with the General Privacy Policy. The library processes personal data to the extent of and in accordance with the purpose stated in the Library Rules.

I agree / disagree with registering to the IReL gateway enabling searching in the IIR Library funds and other thematically appropriate resources.

I agree / disagree with registering to the Eventival by way of which the IIR Library informs about news (opening hours, events).
